## COMMITTEE'S REPORT FOR 1928.

---

For practical reasons it was decided to make the financial year coincide with the calendar year. Accordingly, the period covered by the present Report extends from the 1st of August, 1927, to the 31st of December, 1928. In future, therefore, the Committee's Annual Report will relate to the time between January 1st and December 31st of each year.

The outstanding event during the last eighteen months has been the celebration by the Church of Dr. Stanton Coit's seventieth birthday. A passing reference to this was already contained in last year's Annual Report. In connection with the Anniversary an Appeal was issued to Members and Friends, which brought from various quarters numerous acknowledgments of our leader's signal services to the cause the Ethical Church has so much at heart. The Appeal also permitted the presentation to Dr. Coit of a purse of £1,512. 15s. to be devoted by him to the Church - principally to the reduction of its indebtedness. This enabled us to repay the debt on the Organ, £862, and to return £100 each to two of our mortgage holders. Three hundred pounds were eventually contributed towards the installation of an improved heating system. And some of the remaining money collected was devoted to necessary Church repairs. In connection with the Anniversary, a Reception to meet Dr. and Mrs. Stanton Coit was held at the Church on Saturday evening, October 15th, 1927, at which the following members and friends delivered short addresses: Prof. J. W. Hinchley (who kindly took the Chair), Mr. R. O. Prowse, Mrs. Hinchley, Prof. J. S. Mackenzie, Dr. G. P. Gooch, and Dr. Moskowitz (of New York). Dr. Coit, in responding, expressed his deep appreciation and thanks. On behalf of the subscribers to the Seventieth Birthday Fund, Dr. Coit had also presented to him on this occasion an artistic Mazer bowl, suitably inscribed, as well as two gramophone records reproducing a solo by Mr. Percy Manchester and two quartets by our Choir.

During the period under review, our President has been largely occupied with strengthening the basis of the "Foundations for Moral Leadership", which he has brought into being. In the winters of 1927 and 1928, he went in this connection on an extended visit to the United States. As one result of his efforts, the Foundation's Committee, consisting of a large number of distinguished thinkers, has been further enlarged. The next step is to raise the necessary funds for providing, more especially, scholarships of £200 each for university students who earnestly desire to become ethical leaders. The time is fully ripe for the inauguration of such a scheme and Dr. Coit would be glad to hear of sponsors accepting the responsibility for one or more scholarships.

Serious complaints having been received about the injurious effects of the gas heating system upon the health of our congregation and upon the mechanism of our valuable organ, the Committee reluctantly decided to incur the heavy expense of introducing a central heating system. This began to function in December, 1927, and has proved wholly satisfactory.

As in previous years, a number of Special Services was held. Two were for the dedication of children and one for the formal reception of members. We had the usual impressive Flag Ceremony on Armistice Day (1927 and 1928), when the flags of seven nations - representing Belgium, France, Germany, Great Britain, Italy, Japan, and the United States - were lowered onto our altar consecrated to the Ideal of the Good, the True, and the Beautiful, the Ideal which should rule all peoples and all individuals. It is much to be hoped that more flags will be presented to the Church. Memorial Services were held on New Year's Eve (1927 and 1928), in which all the London Ethical Societies actively participated. In both instances the Memorial Service was followed by a Fellowship Supper, a Social Meeting, and a Watch Night Service.

In order to help members and visitors who are hard of hearing, an accousticon has been installed in the Church. This should prove a boon to those who were hitherto partially or wholly deprived of the possibility of following our services.

During the summer of 1928 the interior of the Church was distempered, repainted, and redecorated to some extent. We owe Dr. Coit warm thanks for having taken the initiative in this matter and having borne almost the whole of the expense involved.

The Ethical Calendar, published by the Church, has been again welcomed here and in the United States. This is the fourth Calendar we have issued.

Whilst Conway Hall is being built, the South Place Ethical Society is without a proper home. Accordingly, both in 1927 and 1928, we were happy to place our Church Room at the Society's disposal for its Annual Social Reunion.

Miss Mary Morris, a member of our Quartet, has been conducting regular singing practices, for which the Committee hereby tenders her its sincere thanks. -- We are very glad to report that the Friday Club, to which the Church is chiefly indebted for its social life, continues to prosper. Its lectures, debates, concerts, dances, social evenings, and rambles are keenly enjoyed. Nor can we let this opportunity pass without expressing our gratitude to the hard-working members of the Fellowship Meals Sub-Committee.

We mourn the death of two of our members - Mr. H. J. Bale, who had been a zealous supporter from the very inception of the Church, and Mr. C. G. Sallmann, a recent member, who manifested great interest in the Church and its activities.

Last May we framed a new financial policy. At the most favourable estimate, our annual assured income is at present less by £350 than our lowest annual expenditure on general purposes and on interest to the members who hold the mortgage for our building. We therefore wrote asking each member whether for the next three years they would consent to give to a "Building and General Fund" the same sum as they had in former years

contributed to the "Organ and Building Fund". We are glad to say that this scheme met with general approval and was generously supported. It will be realized that as the accompanying balance sheet covers a period of seventeen months, the figures are not comparable with those of previous Reports covering only twelve months.

In conclusion, the Committee desires to state that there is a vast field of beneficent activity open to the Ethical Church and that it hopes members will show their appreciation of this fact by their moral, personal, and financial cooperation.

General Fund: £277. 12. 10 $\frac{1}{2}$ d. Building and Organ Fund £325. 11. 7.

P.S. - Owing to the Financial Year extending from August, 1927, to December, 1928, the first column includes only part of the donations given in 1927 (from August 1st onwards to about May 1928). The 1928 appeal for £350. 15. 0. started about June and ended December 31st, 1928, and is for the Building and General Fund only. Three payments in response to the 1928 Appeal (those of Prof. Hinchley, Mr. Kew and Mr. Prowse) were made on January 1st, 1929, and will appear in that year as belonging to 1928, thus raising the £344. 15. 6. to a little over the £350. 15. 0. appealed for.
